

PerfectDuster EcoDuster® 10 & 12 oz.

PerfectData®

PerfectDuster makes cleaning a breeze

EcoDuster is our line of compressed gas dusters that contain no CFC's or other products that could damage the ozone layer in the Earth's upper atmosphere. This product is safe for home or office use and is ideal for dusting hard-to-clean or sensitive surfaces. Use EcoDuster to remove dust, magnetic media oxide and other particulate matter that accumulates on office/computer equipment and other sensitive components.
