

StatClean

Aerosol foaming spray cleaner

PerfectData®

Easy to use multi-surface cleaner

Compare StatClean to any other multi-purpose cleaner and you'll see the 'visible' difference. StatClean cleans all types of surfaces without leaving a hazy film. The exclusive formula includes an anti-static agent that repels dust so that surfaces cleaned, stay clean longer! Use StatClean for cleaning computer monitors, glare filters, equipment cabinetry, appliances, audio/visual equipment, televisions, telephones, keyboards. It's safe for use on glass, mirror, plastic, acrylic, metallic, lacquer and laminate surfaces. StatClean is packaged in an 8 oz. aerosol can and contains no ozone depleting CFC's.
