PerfectData EcoDusterII

Compressed Gas Duster

Ideal for removing dust from computers, sensitive electronic surfaces, automobile dashes, camera equipment, shop and crafts. 100% non-ozone depleting compressed gas dusters that contain no ozone depleting CFCs, HCFCs, propane or butane. Available in two sizes, either a 1.5 oz., or 10 oz. configuration. The 1.5 oz. is a small, convenient to use duster that provides the same dusting power as larger dusters. Designed for people on the go. Easily fits into a laptop briefcase, purse or tool box. Both sizes include a extension tube for pin point cleaning.

- 100% non-ozone depleting
